

## Personal Information

Name: Shang-Ming Lin

Title: Professor and Head of Department

## Specialty and Research Field

The Synthesis of Dyes and Pigments and Their Application  
Dyeing and Finishing Technology

The Extract of Natural Materials and Their Application

Preparation of Biomaterials and Their Application

Contact number: (02)77380145 ext 3215, 3201

Laboratory: Functional Colorant Laboratory

## Education Background

1978/09- 1981/06	National Taichung First Senior High School	
1981/09- 1985/06	Feng Chia University	B.Sc. Degree in Textile Engineering
1985/09- 1987/06	Feng Chia University	M.Sc. Degree in Textile Engineering
1992/04- 1995/03	University of Bradford West Yorkshire, U.K.	Ph.D. in Chemistry and Chemical Technology

## Experience

1989/06-1990/05	Researcher	Taysung Enterprise Co. Ltd.
1990/06-1991/08	Pilot plant shift manager	Taysung Enterprise Co. Ltd
1991/09-1992/03	Vice Researcher	Industrial Technology Research Institute ( Union Chemical Lab. )
1995/08-2011/08	Associate Professor	Department of Textile Engineering and Department of Materials and Textiles of Oriental Institute of Technology

2011/08-	Professor	Department of Materials and Textiles of Oriental Institute of Technology
1998/08-2006/07	Chairman	Department of Textile Engineering and Department of Materials and Textiles of Oriental Institute of Technology
2013/02-2014/01	Dean	Academic Affair Oriental Institute of Technology
2014/02-2018/01	Distinguished Professor	Oriental Institute of Technology
2018/08-	Chairman	Department of Textile Engineering and Department of Materials and Textiles of Oriental Institute of Technology
2018/08-	Chairman	Function and Fashion Textiles R&D Center
2019/02-	Dean	School of Engineering Oriental Institute of Technology

### Specialty and Research Field

The Synthesis of Dyes and Pigments and Their Application

Dyeing and Finishing Technology

The Extract of Natural Materials and Their Application

Preparation of Biomaterials and Their Application
